Expert Feedback Essay

No of paragraphs in essay is less than 4.

Ideally there should be at-least 4 to 5 paragraphs in Essay

There are many spelling mistakes.

Work on Spellings.

Your response is not in valid/required word limit (200-300 words).

 No space after full-stop and - or next word not starting with capital letter

Word after full stop should be written after one space and with capital letter.

 The essay contains mainly basic vocabulary insufficient to deal with the topic at the required level.

 Failing to give appropriate example.

Speaking

 You have taken pause for more than 3 seconds.

Do not pause for more than 3 seconds while answering, since the microphone will switch off automatically if you stop speaking.

 You are using too many fillers.

There should be a continuity in your answer. Avoid using too many fillers like "umm", "uhh", etc.

You are using colloquial - informal language.

Do not use colloquial - informal language or slangs.

There is lots of background noise.

Please take your exam in noisy free environment. If possible give in separate room when alone and no noise in background or outside the room.

Speech is too slow and not fluent.

Try to speak little fast and improve your oral fluency means effortless, smooth and naturally.

Pronunciation not acceptable.

Try to speak more clearly and improve your pronunciation. Learn to break the difficult word in parts and pronounce it combined.

 Flat tone of speech. Not giving stress on appropriate words and speaking in a monotone.

Kindly stress important words and take proper pause. Do not speak in a flat monotonous voice as it may affect your Oral Fluency and Speaking Scores.

 Using incorrect form of tense.

Learn about different tenses in language and use appropriate tense in a sentence.

 Not paying attention to singular/plural.

Kindly pay attention if the word is singular or plural. Reading singular instead of plural or vice versa is considered an error and will affect your scores.

Summarize Spoken Text

 Less use of Vocabulary words.

You need to demonstrate your knowledge of vocabulary by using appropriate words. You have to use appropriate words to describe the lecture by choosing strong vocabulary. Start your lecture with proper introduction then by using appropriate connectors, you have to write good summary. You can enhance your vocabulary by using various apps and by reading newspaper.

More than 1 spelling error and/or numerous typing errors.

If your complete response is without any spelling error then you will get 02 marks for spelling.
If you have one spelling error then you will get 1 mark and if more than 1 spelling errors then you will get zero marks in spelling. Space error between words is also count as a spelling error.
